The Thai Exhibition Association (TEA) has revealed that the next edition of the Thailand MICE Exchange (TMX 2026) will take place on April 29 to 30, 2026, at the Queen Sirikit National Convention Center in Bangkok.

Organised by TEA in partnership with the Thailand Convention and Exhibition Bureau (TCEB), TMX 2026 is expected to feature 100 local and international MICE exhibitors and draw over 4,000 trade delegates from Thailand and South-east Asia.

The annual exhibition and conference event will operate under the theme: Innovation & Sustainability: Powering Excellence & Growth in Thailand's MICE Industry.

TMX 2026 will feature two main conference tracks: Main Stag, a high-level C-suite conference focusing on growth, profitability, risk, future trends, and leadership; and X-Change Square: a practical knowledge-sharing platform focused on best practices and operations in business events.

Together, these tracks are expected to deliver over 30 sessions, featuring more than 61 speakers and attracting 1,400 attendees.

A dedicated Business Matching Program is also scheduled to facilitate over 360 pre-arranged one-to-one meetings between buyers and sellers over the two-day event.
